MEMORANDUM FOR THE RECORD

SUBJECT: Administrative Instruction [REDACTED] "Entrance on Duty
of New Employees"

1. On the afternoon of 8 July 1948 the subject Administrative Instruction was called to the attention of the undersigned. It was discussed with the Assistant Executive Officer, the Executive Officer and the Assistant Director, Special Operations.

2. As a result of these discussions the ADSO telephoned the Executive for Administration and Management, stating that he understood why the Director would not wish to specifically except OSO from all such memoranda but that he wished to make the inquiry to determine for certain that subject Administrative Instruction did not apply to the covert and unvouchered funds personnel of OSO. Within less than five minutes, while the undersigned and the others mentioned above were still in the ADSO's office, a telephone call was received by the ADSO in response to his call to the Executive for Administration and Management. The ADSO stated to us that that telephone call informed him that subject Administrative Instruction was not effective for the covert and unvouchered funds personnel of the Office of Special Operations.

3. In view of the above, Personnel Division of OSO will continue to exercise supervision over the non-security cleared unvouchered pool and will continue to function as previously on all matters concerning personnel employed on unvouchered funds.
